**BASIS FOR WITHDRAWAL REQUEST**

3. The basis for the request for withdrawal is 37 C.F.R. § 10.40(c) §§ (1)(iv) and (1)(vi).

Explanation (including brief description of exhibits, if any):

By email dated April 13, 2006 and June 2, 2006, we advised the inventor that his account was significantly past due and that continued non-payment would jeopardize our ability to undertake further work on his behalf (April 13 email) and force us to withdraw as counsel (June 2 email). A letter sent to the inventor on September 6, 2006 advised that payment had not been received and we would respond to a March 14, 2006 Office Action and then withdraw as counsel. A letter sent to the inventor on October 4, 2006 advised that we would immediately withdraw as counsel. Both the September 6 and the October 4 letters requested the identity of replacement counsel. The inventor's response did not address payment nor replacement counsel, but disparaged the quality of our work. In view of the inventor's disparagement of our work and failure to address the past due balance, we request permission to withdraw as counsel.
